

Advanced Strings

The St. Veronica Youth Advanced Strings is a more advanced group of string players who play for the 9:00 am Masses every other Sunday (when the Children's Choir is not singing). Requirements for auditioning are excellent sight-reading and intonation skills, as well as good tone quality. We have no weekly rehearsal, but meet at 8:00 am before Mass to read through music, then immediately play for Mass. The group is open to grades 3-12 and college, providing the student meet audition requirements. There is no requirement to be a parishioner or student at St. Veronica. Auditions are by appointment any time of the year. Contact Emily Mason at emason@stveronica.net if your child is interested in auditioning.
