

Youth Cantor Program

The St. Veronica Youth Cantor team is looking for new members! Boys and girls 13-18 years old who love to sing are welcome to come try out. Cantors are not required to attend a weekly practice, and they set their own schedule. This is a great opportunity for someone who wants to sing, but who doesn't have time to come to a weekly practice! No experience or prior training necessary; vocal coaching provided as needed. Contact Emily Mason at emason@stveronica.net if you are interested in attending.
